

### FUNTIME 301 DART LEAGUE RULES

1. The game will be 301.
2. The object of the game is to count down from 301 points to **EXACTLY** zero, using as few darts as possible. Each team starts with 301 points. When playing doubles a player cannot attempt to obtain zero score and win the game until his partners score is equal or less than the combined score total of the opposing team. If a partner's score is higher than the combined score total of the opposing team, that player's partner is considered "FROZE" and forbidden to win the game until his partner lowers his score below the opposing team's combined score total. Any player that reaches a zero score while his partner has him froze automatically forfeits the game (loses). If a player has an opportunity to throw for a win and his partner's score ties with the opponent's combined score total, the player may throw for the win.
3. The player stands behind a line 8 feet from the bullseye. They may step ON, but not over the line. They may however **LEAN** over the line.
4. The player gets three (3) darts per turn. Darts may **NOT** be touched until a player's turn is over and the PLAYER CHANGE button is pushed.
5. Darts must not be thrown until "**THROW DARTS**" lights up on the machine. Any dart thrown early may not be thrown over.
6. Any distraction to players is forbidden. Location owners must make sure customers do not interfere with league matches in progress.
7. If a dart misses the board or doesn't stick, it counts as a dart thrown.
8. **THE DART MACHINE IS ALWAYS RIGHT.** THE ONLY EXCEPTION IS ON THE "**WINNING DART**". THIS MEANS THAT THE DART MUST STICK IF THE MACHINE DOES NOT REGISTER THE WIN. IF THE MACHINE REGISTERS THE WIN AND THE DART FALLS OUT IT IS STILL A WIN.
9. If a player throws a dart out of turn:
  - A. The machine is advanced back to the correct position with the player change button.
  - B. The player that threw out of turn loses his **NEXT TURN**.
  - C. Any points that were scored remain on the machine as scored by player in that position.
  - D. If a player throwing out of turn ends the game that player's team loses the game.
10. You may pass any or all of your darts at any time for that turn.
11. If the machine isn't operating correctly, both captains may decide whether to play scoring manually, or make up the game.
12. Players may use bar darts or purchase custom pro darts as long as they have plastic tips and do not exceed 18 grams and are eight inches or less in length. These accessories are available at **Northern Amusement**.

At that time the match is done and the scores are entered on the score sheet. **YOU MUST HAVE AT LEAST 3 PLAYERS TO PLAY A MATCH.**
